more or less of a companion bill and if we are to consider this we ought to consider 977 at the same time. I would make that amendment.

PRESIDENT: Alright Senator Kennedy asks, Senator Chambers Senator Kennedy is attempting to amend your motion to include 977. Senator Stahmer.

SENATOR STAHMER: I would support bringing up both bills. I think that Senator Carpenter is wrong, we were criticised in budget for not putting more money in ADC and we can not do it without a substantive law change, and this will bring the law change. You either want it or you don't. We can't have it both ways. We can be criticised for what we can't legally do. This is our opportunity to legally do it. It is part of our total budget package so lets do it.

PRESIDENT: Senator Kennedy, I'm not going to accept your motion on 977, lets have a separate motion on that one, I'm sorry, but I don't think that I should accept it. I'm not going to because I think that we should keep this issue as clean as possible at this time. Now then, the question is do you want to suspend the rules and put 834 at the top of General File for immediate discussion? All those in favor of the suspension of the rules and consideration of that rule will vote aye, those opposed will vote no. Senator Chambers is asking to suspend the rules in order to float 834 to the top of General File for immediate discussion. Senator Marsh for what purpose do you rise?

SENATOR MARSH: Ask for a call of the house please.

PRESIDENT: Alright, Senator Marsh is asking for a call of the house, the Clerk will record and clear the board. At the next bell please indicate your support for a call of the house. Senator Barnett, voting aye on the original issue. We haven't gone under call yet Senator Barnett, stand by. All right, Clerk will record.

CLERK: 23 ayes, 5 nays.

PRESIDENT: We are now under a call of the house. Senator Barnett is voting aye. Now the next bell please indicate your presence. We are under a call of the house. Motion under vote is the suspension of rules to take up 834 immediately on General File. We are asking you to....Senator Duis is voting aye. We are asking you to indicate your presence so we will know who is missing...we are under a call of the house. Sergeant of Arms come forward. The issue under vote is to suspend the rules and place 834 at the top of general file for immediate debate. Alright, Senator Chambers what is your pleasure, we are aware that there is only one person missing that is not here and that is not enough to....Senator Carpenter.

SENATOR CARPENTER: Who is the one person?

PRESIDENT: Senator Johnson.
